Acerca de

This is a **sample quotation template**. You should customize it to fit your own needs from the *Sales* application, using the menu: Configuration / Quotation Templates.

El uso de buenas plantillas para presupuestos hará que **aumente significativamente su efectividad**. La primera parte contiene generalmente información sobre su empresa, sus referencias, su metodología y las garantías, el equipo con el que cuenta, el contrato sobre el nivel de servicios ofrecido, las condiciones aplicables etc.

Nuestra calidad

Product quality is the foundation we stand on; we build it with a relentless focus on fabric, performance and craftsmanship.

Nuestro servicio

As a leading professional services firm, we know that success is all about the commitment we put on strong services.

Precio

We always ensure that our products are set at a fair price so that you will be happy to buy them.

Nuestra oferta

Puede **elegir una descripción por producto**. Odoo creará un presupuesto automáticamente con las descripciones de todos los productos de la propuesta. La tabla de contenidos de la izquierda se genera de forma automática con los estilos que haya usado en la descripción (encabezado 1, encabezado 2...)

If you edit a quotation from the 'Preview' of a quotation, you will update that quotation only. If you edit the quotation template (from the Configuration menu), all future quotations will use this modified template.

A great way to catch your reader's attention is to tell a story.
Everything you consider writing can be told as a story.

Great stories have personality. Consider telling a great story that provides personality. Writing a story with personality for potential clients will assists with making a relationship connection. This shows up in small quirks like word choices or phrases. Write from your point of view, not from someone else's experience.

Great stories are for everyone even when only written for just one person. If you try to write with a wide general audience in mind, your story will ring false and be bland. No one will be interested. Write for one person. If it's genuine for the one, it's genuine for the rest.

What is Lorem Ipsum?

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum
